

AIM solutions

APPLICATIONS IN MOTION

We know that the customers needs go beyond a “Product in a Box”. That’s why **AIM SOLUTIONS** is committed to going beyond what is “Required” to fulfill an order. We’re here not just to help you find answers—we’re here to help you implement solutions. Whether you’re looking for pre-assembled products, high quality materials or competitive prices—**AIM SOLUTIONS** is dedicated to meeting your needs.

TECH-MAG®

- Mag. Drive Pumps
- PP/PVDF/SS

- Centrifugal Pumps
- ES/Self Primers
- CI/BR/SS

Goulds Pumps

- Centrifugal Pumps
- ES/Self Primers
- CI/BR/SS

- Convertible Design
- Pack/Mech. Seal
- Temps. to 625° F

- ANSI, Self Primers
- Turbine, Sliding Vein
- Vertically Immersed

- Centrifugal Pumps
- ES/Self Primers
- Sump/Eff/Sewage

- Centrifugal Pumps
- ES/Self Primers
- Sump/Eff/Sewage

- Centrifugal Pumps
- Sump/Eff/Sewage
- All Stainless Steel

- ES/Circulator Pumps
- Expansion Tanks
- Heat Exchangers

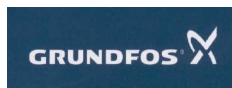

- Metering Pumps
- Cond/Boiler Controls
- PH/ORP/Conductivity

- Vertical Turbines
- DI/SS/BR
- Spec. Hard Materials & coatings

- Venturi Vac. Pumps
- Suction Cups
- Flow Valves/Sensors

- Centrifugal Pumps
- Dosing Pumps

- P.D. Blowers
- Tri-lobe
- Complete Systems

- Liq. Ring Vac. Pumps
- Rotary Vein Pumps
- Oil Sealed/Dry

- Regen. Blowers
- Cent. Blowers
- Rocking piston compressor

- Centrifugal pumps
- Self primng/trash
- Hot oil

- Engineered & Standard Packaged Systems
- Domestic Water Booster Systems
- Constant Pressure Variable Speed Control
- NFPA Medical Vacuum Systems
- Accessories-Gauges, Valves, Flanges, Enclosures
- VFD's, Panels, Disconnects, etc.
